## EURO EDGE BENCHTOPS

# SEAMLESS PATTERN & COLOUR CREATING THE APPEARANCE OF A SOLID SURFACE

### EXCLUSIVE TO THE O'BRIEN GROUP

### The benefits of Euro Edge

Achieve the impression of a stone top with the more economic option of our new **Euro Edge**. By using a digitally printed edge tape we create the appearance of a seamless edge look similar to a solid surface benchtop. Commercial fitouts, furniture, counter tops, residential bench tops, table tops, and vanity units, are all well suited to extremely durable and functional **Euro Edge**.

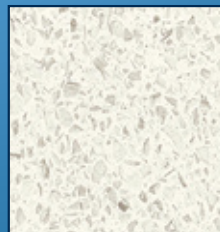

The ultimate in beauty, strength and practicality, **Euro Edge** include:

- seamless pattern and colour with clear edge creating the appearance of a stone top.
- Available in 36mm & 50mm thick finished edge
- Impact & stain resistance
- available in 6 popular colours
- 7 year manufacturer's residential warranty
- up to 1/3 less waste than stone generated solid top.
